

This diagram illustrates the exploded view of a mechanical assembly, showing the relationship between various components. The parts are numbered as follows:

- 1:** A small pin or screw used for assembly.
- 2:** A small circular component, possibly a washer or seal.
- 3:** A small pin or screw used for assembly.
- 4:** A long vertical rod or shaft.
- 5:** A horizontal rod or shaft.
- 6:** A circular component, possibly a washer or seal.
- 7:** A small pin or screw used for assembly.
- 8:** A curved arm or bracket.
- 9:** A small pin or screw used for assembly.
- 10:** A threaded rod or bolt.
- 11:** A small circular component, possibly a washer or seal.
- 12:** A small pin or screw used for assembly.
- 13:** A bracket or support plate.
- 14:** A curved arm or bracket.
- 15:** A small pin or screw used for assembly.
- 16:** A small cylindrical component.
- 17:** A threaded rod or bolt.
- 18:** A small circular component, possibly a washer or seal.
- 19:** The main vertical assembly, possibly a valve or actuator.

The diagram shows how these components fit together to form the complete assembly. Dashed lines indicate the alignment and relative positions of the parts.
